Transforming The Real Estate Industry

Award-winning HoloPort AR/VR framework, Domotics allows buyers to interactively tour properties via their existing devices, from smart TVs and mobile phones up to VR headgear.

Developing Immersive Experience in Virtual Tour Applications on Mobile Devices

Adoption of high-tech smart solutions in commercial real estate

Problem Statement

COVID-19 has spread the world and extremely affected people's daily lives. As the situation was unstable, our client approached the IntelliMedia crew to adopt digital solutions to effectively utilize technology and to strengthen the customer experience that aid buying and selling of properties.

Solution Provided

Domotics delivered revolutionary immersive and interactive real estate listing solutions to engage buyers and realtors using VR and AR on mobile devices, Smart TVs, streaming media devices, and wearable technologies.
